WHY EyeLevel

Eyewear that earns its place

For over 30 years, EyeLevel has supplied eyewear that sells easily and wears well. Our ranges are designed in-house, built to feel right when customers try them on, and priced so they make sense on the shelf.

Nothing overstated.

Nothing inflated.

Just products people are happy to buy – and buy again.

With one of the widest selections of sunglasses in the UK, supported by strong reader and accessory ranges, EyeLevel offers breadth, consistency, and dependable supply across the majority of its lines, year-round.

It's not about hype.

It's about eyewear that works – for retailers and customers alike.

How To Order

Find out how to set up a trade account and join the many retailers already succeeding with EyeLevel on the back cover.

Technical Information

Eyelevel Sunglasses are manufactured with care and conform to European standard EN ISO 12312-1:2022 and American standard ANSI Z80.3.

All EyeLevel Sunglasses provide full UV400 protection from UVA and UVB rays.

EyeLevel Readers conform to EN14139:2010.

All EyeLevel products carry both the CE & UKCA Marks.
