WE ARE A BENEFIT CORPORATION

**We destine 5% of our profits
to sustainability**

“We believe we will only be able to dream of a better world when we will all be capable of thinking and acting in a positive way. That is why we have been a **Benefit Corporation** since 2023, a choice that fully represents our commitment towards Sustainability. To us, ‘**doing business well**’ means creating value for the entire Legami ecosystem, making sure that this wealth is never achieved at the expense of people or the environment. To make this vision concrete, we have chosen to destine **5% of profits** to projects capable of **generating an actual impact.**”

OUR SUSTAINABILITY REPORT

100% Legami projects to generate a positive impact

Sustainability is at the heart of our philosophy and guides all our actions. We believe that a product cannot generate a positive feeling if its creation exploits people or the environment. Our Sustainability Report is an essential tool to measure the results obtained and involve our entire community in a **path of continuous improvement**, focusing on a concrete positive impact. That is why we work on **100% LEGAMI projects**, dedicated to **improving the quality of life of communities** and **protecting the environment**. All initiatives actively involve our company from their creation to their implementation, and reflect our values and commitment towards a more sustainable future.
