# A Letter From Our MD

Hi All

Well, that's another year that has gone before we even realised, I hope everyone had a Merry Xmas and Happy New Year. Reflecting on 2024 brings a positive feel as we saw a lot of success, we saw strong growth, mainly coming from our Danielle, Yes Studio and Vintage brands – we are seeing huge category growth from Bath & Body and Skincare and our retail partners are sharing that these categories are also working for them. We had to endure the normal shipping challenges in terms of lead time and costs which are now becoming a yearly thing, we are now working a lot longer in advance internally to combat this and feel well set up for 2025.

Spring/Summer 25 brings a real focus on newness, especially in the categories I have mentioned above, we have continued to develop across our core Danielle everyday range and added some very exciting new lines in Yes Studio, again across Bath & Body and Skincare. In Vintage you will see us moving into luggage accessories, with travel high on the consumer agenda, we feel this brand fits perfect with the travel category.

We are also excited to share our new brand 'Cheesecake'. This is a Gen Alpha targeted, Kawaii inspired Skincare, Bath and Beauty brand products feature cheeky sayings and adorable characters with a brand personality that will offer retailers and consumers alike, something they have not seen before from Upper Canada.

That leaves me to thank you once again for your continued support of Upper Canada and looking forward to another successful year with you all.

Cheers

*Ben Andrews*
